

Emergency First Aid at Work: One Day Course

Emergency First Aid at Work: One Day Course

This nationally accredited one day course gives you the skills to deal with major and minor emergencies. It will give you the confidence to prioritise casualties and administer the relevant treatment.

The main points covered on this one day course are:

- The roles and responsibilities for health, safety and welfare in the workplace
- How risk assessments contribute to health and safety
- Procedures for responding to accidents and incidents at work

At the end of the day on the course, a multiple choice question paper will be provided for participants to answer, which will be used to pass the course.

Who Should Attend?

Anyone working in a low-risk environment, an office, retail outlets, education, SME's, and the general public would benefit from attending this course.

Pricing:

For each participant the cost is £120 per person. Lunch is provided for all course participants.

Please note that no refund will be issued if cancelled up to seven working days before the event.
