

# Supervising First Aid for Mental Health: Two Day Course

## Supervising First Aid for Mental Health: Two Day Course

This course goes into detail on a wide range of mental health conditions and the support provided by healthcare professionals. All content on the half day and one day courses are covered on this qualification, with practical skills and written assessments forming the means of evaluation on this course to award a certificate.

### Who Should Attend?

All participants must be at least 16 years old to participate on this course, with the ideal candidates being those in managerial or trainer positions. Please note that a maximum of 16 students are allowed on the course. If you have more than 16 students interested in this two day course, please get in contact with us.

### Pricing:

The cost per participant is £200 for this course, with a lunch included for each day.

Please note that no refunds will be issued if the participant cancels seven working days before the course start date.
